

# LA CASONA

## MONASTRELL

Born from the mountains and sunshine of southeastern Spain and produced at the Castano family winery in Yecla

### Ontario's favourite sub-\$10 Spanish red wine!

### What are the critics saying?

"This new vintage 2013 La Casona Monastrell shows great line and length for under 10 bucks and is a staggering value.. the best in old vine monastrell with a smoky burger or spicy-tangy grilled chorizo." - Anthony Gismondi, WineAlign.com

"Not surprisingly the wine with a house on its label is tailor made to be your go-to red throughout the barbecue season. This offers a pleasing mix of fruit, smoke and herbal flavours.. Best enjoyed with a meal. The bargain price makes it a prime house wine candidate." - Chris Waters, Vines Magazine
